Godfrey reported that the new target list for ROLLING THUNDER is now available. DDCI asked to see it.

ADD/S reported that the power will be off at the Headquarters building on Sunday for about half an hour beginning at 0830 in order to test our emergency power system. ADD/S&T observed that this will require the computer center to halt its operations for several hours.

DDCI questioned the ADD/S&T on the status of the computerized vulnerability tests now being run on the OXCART vehicle.

Carver said that he is making preparations for Ambassador Bunker's scheduled visit to Headquarters next Friday.

Carver discussed the engagements now being fought at Loc Ninh and Dak To and observed that the Viet Cong obviously have not abandoned the tactic of employing large unit operations. DDCI noted that the Viet Cong are apparently well supplied.
